Crookston Duluth Morris Rochester Twin Cities

Transfer or AP Credit

Notes:

Best Practice is to make exceptions only with posted grades. Please do not request exceptions when a grade is in progress.

The APAS removes credits for non-repeatable or equivalent/cross-listed courses once a student registers for the second instance. The transcript removes credit only after a final grade has been posted for the second instance. Credit totals between APAS and transcript will be different until a grade for the second instance is posted.

Transfer or AP credit in APAS Requirements
